MOTION FOR CLARIFICATION

Public Knowledge hereby seeks clarification that the Federal Communications Commission (“Commission”) received and accepted its timely Petition for Reconsideration and Motion to Hold in Abeyance (“Petition”) filed in the above-captioned proceeding.

Presently, the Commission’s Electronic Comment Filing System (“ECFS”) erroneously reports that the Petition was received on August 9, 2018. Public Knowledge accessed ECFS and uploaded the Petition on August 8, 2018; however, delays caused by ECFS appear to have resulted in a reported receipt date of August 9.

Public Knowledge seeks clarification from the Commission that the Petition was timely filed and accepted in accordance with section 405 of the Communications Act and section 1.429 of the Commission’s rules.¹

Respectfully submitted,

/s/ _____
